Dear Sirs:

This letter shall serve as notice that the Division of Special Revenue continues to recognize your company as a gaming service enterprise registrant in the State of New Jersey. Therefore, pursuant to Section 6(a)(ii) of the Tribal-State Compact entered into between the State of Connecticut and the Mohegan Tribe of Indians, your company need not register as a gaming service enterprise in Connecticut. The exemption number is 806501. This exemption expires on April 29, 2012.

Please note that, on a yearly basis, the Division will request certification in New Jersey in order to establish continued exemption from registration in Connecticut. Further, this exemption may be subject to revocation or suspension in the same manner and for the same reasons as a gaming service registrant in Connecticut. Finally, it shall be required that the Division be notified of any change of address or change of contact person in the future.

Thank you for your cooperation and consideration.

Very truly yours,

A handwritten signature in black ink that reads "Paul A. Young".
